in Mysore*

## CIRCULAR No. XVII.

## MADRAS STUDENTS' ADVISORY COMMITTEE.

*Admission of Indian Students to the Inns of Court.*

The attention of Indian Students is drawn to the modifications which have been recently adopted in regard to admission to an Inn of Court.

I. The examination list set out in the Hand-book (13th Edition) has been amended in two respects—

- (a) The Preliminary Examination for the Degree of M.A. conducted by the Joint Board of Examiners of the Universities of Edinburgh, Glasgow, St. Andrews and Aberdeen is only accepted for *Students whose native language is English*.
- (b) The Oxford or Cambridge Senior Local Examination is only accepted when two of the sections in which the candidate passed are certified to be,
  - (i) *English Language and Literature*.
  - (ii) *Latin*.

II. In lieu of the certificate from a Collector or Deputy Commissioner or Political Officer hereto required from a Native of India, a *Certificate from the Secretary for Indian Students* appointed by the Secretary of State will have to be obtained.

It will therefore be necessary for an Indian Student in the Madras Presidency who desires to be admitted to the Bar to apply in the first instance to the Secretary, Madras Students' Advisory Committee, and to furnish to him

- (i) testimonials of good character from his Professors and Teachers, whether in a College or a School, and
- (ii) a certificate signed by one or two responsible persons, whether Government officials or otherwise, who can speak as to his character and standing.

These will be forwarded to the Secretary for Indian Students at the India Office, who will also require to see the students in person. If the Secretary for Indian Students is then satisfied that he can recommend the student for admission to the Bar, he will give his certificate to that effect.
